

## **Serenity RPG**

The Serenity Role Playing Game is a science fiction role-playing game released in 2005 and set in the universe of the movie Serenity and television series Firefly. Players will be playing the following pre-made characters from the movie and show: Malcolm Reynolds, Zoe Washburne, Hoban Washburne, Inara Serra, Jayne Cobb, Kaylee Frye, and Simon Tam. River Tam and Derrial Book will not be included in this scenario.

### **Tournament / Regular Game:**

Regular game.

### **Player Experience:**

None with the game but knowing about the characters and the movie and TV show would be an asset.

### **Variant:**

None.

### **Tournament Structure:**

Not a tournament.
